MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Herbert E. Hetu
Director of Public Affairs

SUBJECT: Bulletin Boards for Press Clippings

1. As you may know I have been meeting with a variety of internal Agency groups of late, i.e., DDA/DDO/DDS&T Management Advisory Groups, mid-career course, senior seminar, etc. One recurring bit of praise and suggestion which comes from these groups concerns the Agency bulletin board on which we display daily press clippings. It has been suggested many times that similar bulletin boards be erected in outlying Agency buildings. Our office would supply the clips on a daily basis and the boards would be maintained by a designated office in each building. Perhaps in some locations such as OTS one board would be sufficient for several buildings. I would suggest that the boards be constructed similar to that outside my office, i.e., with removable panels which makes daily change of clips considerably easier.

2. Attached for your reference is a list of Agency buildings in this area.
